Category & Product and Description	Page
Preface	
Designing a Laser Gas Delivery System	Inside Cover
Table of Contents	1
Resonator Gas System	2
Beam Purge Gas System	3
Assist Gas System	4
Laser Welding Gas System	5
Resonator Gas Supply	
626 Series AutoSwitch	6
625 Series Laser Gas Station	8
624 Series Laser Gas Panel	9
621 Series Automatic Laser Gas Switchover	10
620 Series Laser Gas Switchover	12
601 Series Regulator	14
5230 Series Regulator (Single Stage • Brass Barstock Body • Five Ports)	16
Assist Gas Supply	
643 Series IntelliSwitch II Fully Automatic Switchover with I-Link Webserver Technology	18
641 Series IntelliSwitch Switchover	20
639 Assist Gas System (High Pressure Primary • High Pressure Reserve)	22
630 Series Cryogenic Manifold	24
629 Series MicroManifold (Brass Barstock Body)	26
628 Series Manifold (Brass Barstock Body)	28
623 Gas Delivery System (Brass Barstock Body • Dome Loaded • Ultra High Flow)	30
622 Gas Delivery System (Brass Barstock Body • Dome Loaded • High Flow)	32
605 Gas Delivery System (Single-Stage • Brass Barstock Body • High Flow)	34
603 Gas Delivery System (Line Regulator • Brass Barstock Body • High Flow)	36
5260 Series Regulator (Single Stage • Chrome-Plated Forged Brass Body • Four Ports)	38
Laser Welding Supply	
652 Series BlendMaster 1000	40
636 Series AutoSwitch HF	42
5270 Series Regulator	44
5237 Point-of-Use Regulator	46
Multi-Gas Analyzer	47
Beam Purge Supply	
Beam Purge Assembly	48
Accessories	
Particulate Filter Assembly	49
Molecular Sieve Filter	50
Purges	50
Diaphragm Valves	51
Relief Valves	51
Advantium 8 Alarm	52
Advantium 2 Plus Remote Alarm	53
Advantium 1 Plus Remote Alarm	54
AD2000	55
Advantium Monitoring Software	55
Vaporizers	52
Tube Trailer Hoses	56
Flexible Hoses	56
High Pressure Flexible Hoses	57
Liquid Cylinder Hoses	57
Resonator Tubing	58
Assist Gas Tubing	58
Vaporizers	59
Manifold Floor Stands	59
Fittings and Adapters	60
Pipe Size - Inches Reference Table	60
Warranty Information	Inside Back Cover
